

## General Westover Square Club

In the early 1940's a group of Mason's from Westover Air Force Base formed the Westover Square Club. The name from the group comes from the General for whom Westover Air force base is named, Oscar Westover.

The purpose is to allow networking, information transfer, and general "chit-chat" between friends worldwide who share common threads. We are a group of Free and Accepted Masons from around the world who share a desire in Masonry. We feel it is important to all Master Masons who are away from their mother lodges, stationed or working on Westover Air Reserve Base, to have the opportunity to meet members of local lodges and work together at being Masons.

We discuss all aspects of the Gentle Craft, including Ethics, Morality, and Rectitude of Conduct. To learn more about the history of the General Westover Square Club and plans for its reactivation, all you have to be is a Master Mason in good standing of a lodge recognized by the Grand Lodge of Massachusetts, and join us at the South Hadley Masonic Building, 15 North Main Street, South Hadley on Saturday, February 13, 2010 from 10:00 Am to 12:00 PM.

If you know of anyone who may have been a member of the Westover Square Club, we would love to here from them.
